

Winter Soldier: Iraq & Afghanistan

Winter Soldier: Iraq and Afghanistan will be the largest gathering of Iraq Veterans Against the War to date. As veterans who have served in these occupations we have a responsibility to share our stories with each other and the American people. We do this to stand up for the soul of our country.

To support Winter Soldier you can:

- Donate. Winter Soldier needs your support today.
- Organize your neighbors. Host public forums to share the testimony.
- Spread the stories. Distribute information to local GIs, veterans, news sources and your Congressional offices.
- Join the movement. Sign the statement of support at www.ivaw.org/wintersoldier
- Take action. Use these testimonies to demand an end to the occupation now!
